All legitimate annotation platforms are free — never pay to work

YOUR DAY-BY-DAY ROADMAP

WEEK 1

FOUNDATIONS

Understanding AI & Your Role

Day 1

What Is AI?

Watch beginner videos · Write 3 plain-language sentences about AI

Day 2

Data Annotation 101

4 types: Text · Image · Audio · Video — find a real-world example of each

Day 3

Types of Tasks

Sentiment · Intent · Named Entities · Response Ranking (A vs B)

Day 4

How AI Uses Your Work

Learn the RLHF cycle · Why quality always beats speed

Day 5

Set Up Your Workspace

Gmail · Chrome · Grammarly · Folder system · Basic LinkedIn profile

Day 6

Platform Overview

Toloka · TELUS AI · DataAnnotation · Remotasks — check Egypt eligibility

Day 7

Week 1 Review

Explain annotation out loud · Name 4 task types · Rate confidence 1-10

WEEK 2

CORE SKILLS

Building Annotation Ability

Day 8

Grammar & Clarity

Grammarly exercises · Subject-verb · Comma use · Self-edit 5 sentences

Day 9

Sentiment Analysis

Label 20 reviews Positive/Negative/Neutral · Write reasoning for each

Day 10

Prompt Evaluation

Rate AI responses on Accuracy · Helpfulness · Safety · Honesty 1-5

Day 11

Response Ranking A vs B

ADA Simulator · 10 comparisons · Spot hallucinations — a high-pay skill

Day 12

Bilingual Advantage

Research Appen, Sigma.AI, LXT.ai · Practice Arabic-English translation

Day 13

Quality & Consistency

Inter-Annotator Agreement · Read guidelines fully before every task

Day 14

Week 2 Practice Test

7 sentiment + 7 A vs B + 6 grammar corrections — time yourself

WEEK 3

GO PRO

Apply, Earn & Grow

Day 15

Write Your Profile

3-sentence bio · Highlight Arabic+English · Professional photo

Day 16

Apply to Toloka

Register · Complete profile 100% · Do onboarding tasks carefully

Day 17

Apply to DataAnnotation

Use ADA Simulator to prepare · Read all guidelines before starting

Day 18

Build a Portfolio

Save simulator results as PDF · Case studies · LinkedIn skills update

Day 19

Specialized Roles

Search 'Arabic LLM evaluator remote' · TELUS AI · Sigma.AI

Day 20

Handle Rejection

Find which section was hardest · Revisit materials · Reapply in 2-4 wks

Day 21

You Made It!

Set a 30-day goal · Plan next skills · Share your journey on LinkedIn
